About Camp Looking Glass

Imagine a place where all people are included, celebrated, and encouraged. For children and young adults with disabilities in the Mississippi Delta, imagination becomes a reality through Camp Looking Glass.

a little bowling competition never hurts

Camp Looking Glass campers have a range of disabilities, including Down syndrome, cerebral palsy, autism, hearing impairments, and other physical or cognitive disabilities.

Despite these differences, we come together to create a community that fosters self-confidence, creativity, compassion, and joy.

What We Do

Since 2004, Camp Looking Glass has been providing accessible summer camp and year-round activities to children and young adults with disabilities, all at no cost to campers and their families. Activities include:

- swimming
- arts & crafts
- nature walks
- community outings (restaurants, movies)
- music
- boating
- horseback riding
- photography
- yoga
- fishing
- dance
- bowling
- theater

If this sounds like a traditional summer camp to you, that's because it is! What makes Camp Looking Glass so unique is that we tailor our activities to meet the cognitive and physical needs of the individual, allowing all of our campers to participate and grow as individuals and community members.

We continue these activities and maintain our Camp friendships throughout the year at monthly Camp-sponsored "Art Day" meet-ups in Greenville, Mississippi, so you don't have to wait for summer to get involved!
